Low Rider

Cedar Walton

All my friends know the low rider
The low rider is a little higher

The low rider drives a little slower
Low rider, is a real goer

Hey

Low rider knows every street, yeah
Low rider, is the one to meet, yeah

Low rider don't use no gas now
The low rider don't drive too fast

Take a little trip, take a little trip
Take a little trip and see
Take a little trip, take a little trip
Take a little trip with me
