Mistake

Athenaeum

Listening to teachers is bringing me down
I thought they'd have much more to say
But on with my knowledge they sent me through college
I never had much of a sayBut when i go
It's a big mistake
Cause they can't teach me anything
I won't learn anywayListening to teachers won't turn me around
They fill me with things i won't use
When they have the power to turn us into
Whatever kind of people they chooseBut when i go
It's a big mistake
Cause they can't teach me anything
I won't learn anyway
