

Get To Poppin

Rich Boy

Here I come
When niggas get to poppin'
Get, get down, get, get, g-get, get down
Get down, get, get, g-get
When niggas get to poppin'
Money, cars, stars, they be ballin'
Playas, pimps, dem hoes, dey be callin'
Microphone check, one, two, four
Who? Fourth is you
I shut da whole block down like motherfuckin' PD
Niggas wanna be me, dem fiends come to see me
Crack, rock, da block is hot
Dem niggas hatin' on me for da hoes dat I got
But I ain't even trippin' off a trick a bit
'Cause y'all motherfuckers, I ain't hittin' on shit
Broke ass nigga, joke ass nigga
Mess around and be a little smoke ass nigga
Rich Boy chillin', Polo chillin'
What mo' can I say, we 'bout millions
That's what we get, we got it good
And you know we in yo' hood
When niggas get to poppin'
Get, get down, get, get, g-get, get down
Get down, get, get, g-get
When niggas get to poppin'
Dem boys be stillin', dem boys dealin'
Up in da hood, dem boys killin'
I'm cold, put ya sweaters on like lil' Charlie Brown

I got enough rounds to lay da whole place down
Thirty-five thousand dollar watch
Two-hundred thousand dollar drop
Three million dollar spot, one, two, it don't stop
Bitch, get your money, hustle up, bubble ten double up
You a real motherfuckin' squirrel, tryna get a nut
From top to yo' bottom, dem hoes, I got 'em
Don't ask me how, don't know who shot 'em
You snitch ass nigga, bitch ass nigga
Mess around, getcha self killed, little nigga

Get, get down, get, get, g-get, get down
Get down, get, get, g-get
When niggas get to poppin'
Get, get down, get, get, g-get, get down
Get down, get, get, g-get
When niggas get to poppin'
Rich boy chillin', Polo chillin'
What more can I say? We 'bout millions
Dat's what we get, we got it good
And you know we in yo' hood
When niggas get to poppin'
When niggas get to poppin'
Get, get down, get, get, g-get, get down
Get down, get, get, g-get
When niggas get to poppin'
When niggas get to poppin'
