

# Place Of Worship

[Marvin Sapp](#)

Go find your place of worship  
Look into your pain and find your praise  
Every low place in your life  
Prepared you for your hard place  
Every tear you cried is water for  
The garden of your victory And even though you're in the valley,  
Victory comes through your adversity  
Go find your place of worship Go find your place of worship  
Look into your pain and find your praise  
Every low place in your life  
Prepared you for your hard place and  
Every tear you cried is water for  
The garden of your victory(x3)  
And even though you're in the valley,  
Victory comes through your adversity Go find your place of worship Worship, I found my mine  
Now I can say: Holy, Holy  
Holy is the Lamb(x7)  
Righteous Righteous is the Lamb He's lovely, lovely, lovely, lovely, lovely, my God is lovely,  
Lovely is the Lamb
