

Kimberly Austin

[Porno for Pyros](#)

I like to watch her sway
She's luck before I'm going away
I wonder what she thinks about herself
She is mine and no one else's
Kim
Kimberly Austin
She turns the knife around
I watch her run it down her side
Kisses my fingers when I go by
See my mother in her eyes
Kim
Kimberly Austin
I like to watch her sway
She's luck before I'm going away
I like what she sees in herself
Gives me all of her confidence
Kim
