

# People Of The Lie

## Kreator

Don't look at me as if I didn't know  
Your vanity is all you ever show  
What you believe and advocate  
Fanatic dogma recycled from yesterday  
Got a master plan  
Genocide  
Can't understand  
People of the lie  
You are to me the waste of flesh and blood  
I'd love to see you buried in the mud  
And when you die no one will shed a tear  
So pass me by don't need your hatred here  
Got a master plan  
Genocide  
Can't understand  
People of the lie  
Prejudice  
Intolerance  
Eye for an eye  
You cannot hide behind those empty claims  
Your racist pride is nothing but a game  
And you will lose for right is on the side  
Of those who choose to fight for humankind  
Got a master plan  
Genocide  
Can't understand  
People of the lie  
You can't believe  
Don't be deceived
