

Ex Amnesia (feat. Jonsey)

K'Jon

[Featuring: Jonsey of D.U.B.B.] ohh no aye
listen Girl you got me up thinking
about the way you was talking about how you want to be treated
ex man did so much wrong you don't know where to began (began)
let me take that off you head girl, I know how to fix it your boyfriend didn't understand what to do girl
what I really want to do girl
is put a lil something on you girl
i don't think you hear me tho
gone let me know if its something that you really wanna do girl
whats a name is old news girl
you can put the blame on me
I'll make you forget you man
you're the one he use to live with (I'll make you forget your man)
cause he was out there getting it (I'll make you forget your man)
cause he couldn't get his head right (couldn't get his head right)
had her waiting up all night
now she laying up in my bed, I'm about to give you that ex amnesia make you forget your ex bout to give you
that ex amnesia
make you forget your ex bout to give you that ex amnesia
bout to give you that ex amnesia you seems so conflicted
cause you want to give your heart but its still so restricted
cause he still lives there but tell him he's evicted
and if it a problem tell me and i will say it a little different (gone sit down) you're the one he use to live with (I'll
make you forget your man)
cause he was out there getting it (I'll make you forget your man)
cause he couldn't get his head right (couldn't get his head right)
had her waiting up all night
now she laying up in my bed, I'm about to give you that ex amnesia
make you forget your ex bout to give you that ex amnesia
make you forget your ex bout to give you that ex amnesia
bout to give you that ex amnesia [Jonsey:]
(Bloc Boiiiiiii)
she thing bout the future she want me to be her next name
call me wolverine make her forget about her ex man
she know i can do it better than her ex can
she hear my song and she be nodding like a yes man
she call me her best friend tell me what her ex did
now she cant even remember who her ex is
she be acting like her ex don't even exist

doing the math, I done figured out what x is
now I'm rubbing on her shoulder with my left hand
and she forget about her husband and her step kids
brought her to the east side she stay out in wetland
got her in the kitchen coming out her stretch pants
trying to give a little lap dance trying to give a little teasing
I love the way she do it thats my little diva
she say she independent now she don't need him
make her not remember that that ex amnesiaI'll make you forget your man
you're the one he use to live with (I'll make you forget your man)
cause he was out there getting it (I'll make you forget your man)
cause he couldn't get his head right (couldn't get his head right)
had her waiting up all night
now she laying up in my bed, I'm about to give you that ex amnesiamake you forget your ex bout to give you
that ex amnesia
make you forget your ex bout to give you that ex amnesia
bout to give you that ex amnesiaBloc Boiiiiiz
