

Love and Lies

Francis Wolf

Love and Lies

I Never Meant To Hurt You
Even Though I Probably Want To
Because Being Nice Is Also Being Cruel
And When We Lie Together,
My Mind Seems To Wander,
Cause Love Were Lies
And Lies, Were Love's So True

You Knew I Was Dishonest
Before I Made You Honest
Yet You Freely Jumped Down
Into The Pool
And When The Night Is Over
And I'm Not Sober
We Loved And Lied Because Thats What We Do

We Lied In Intimate Slumber
Sweat And Lust Like Thunder
And We Played The Role Of Two Fools
While Looking At Each Other
We Both Thought Of Another
For Love And Lies Will
Keep Us Nice And Whole

So Hold My Hand And Tell Me
How We Love Each Other Completely
And How We Will End Up Watching Us
As We Grow Old
But We Will Know So Deeply
The Truth So Sweetly
Cos If Lie's A Rock
Then Love Is Just A Stone

Chorus

Love And Lies
Come And Get Some Love And Lies
