

# My Love

Jill Scott

Yo, I'm trippin' right? I heard you got married  
You got married, that don't really make any  
It don't really make any sense, I mean it's not like I  
I didn't think you were seein' other people or whatever  
I mean, I was seein' other people but  
You know what this is, you know what it was  
You, I can't say I really understand though  
You chose her 'cause she's sweet as pie  
Take what you give, even your life  
But baby, are happy without me?  
She scrubs your back, washes your clothes  
Gives you everything that you ask for  
But don't you ever want more?  
'Cause my love

My love is deeper, tighter, sweeter, higher, flyer  
Didn't you know this or didn't you notice?  
My love is deeper, tighter, sweeter, higher, flyer  
Didn't you know this or didn't you notice?

What we have don't need no words  
Deeper than anything you ever heard  
I ain't reachin', baby, I know I should be your lady  
You say you're happy, you say you're great  
But you know and I know you really ain't  
You need to come be with me  
That's the way it's supposed to be

My love is deeper, tighter, sweeter, higher, flyer  
Didn't you know this or didn't you notice?  
My love is deeper, tighter, sweeter, higher, flyer  
Didn't you know this or didn't you notice?  
'Cause oh, all I ever do is think about you, baby  
I hold you in my arms inside my dreams  
And I know what I know and what I know is  
That no matter where you go, you will always think of me  
My love is deeper, tighter, sweeter, higher, flyer  
Didn't you know this or didn't you notice?  
My love is deeper, tighter, sweeter, higher, flyer  
Didn't you know this or didn't you notice?  
My love is deeper, tighter, sweeter, higher, flyer  
Didn't you know this or didn't you notice?

My love is deeper, tighter, sweeter, higher, flyer  
Didn't you know this or didn't you notice?
