

Beautiful Letdown

Switchfoot

It was a beautiful letdown
When I crashed and burned
When I found myself alone
Unknown and hurt
It was a beautiful letdown
The day I knew
That all the riches this world had to offer me
Would never do

In a world full of bitter pain
And bitter doubts
I was trying so hard to fit in, to fit in
until i found out

That I don't belong here
[I don't belong]
I don't belong here
[I don't belong]
I will carry cause in song
Where I don't belong
I don't belong

It was a beautiful letdown
When you found me here
For once, I never know
I see everything clear
I'll be a beautiful letdown
It's what I'll never be
I know it may cost my soul
I sing for free

Still chasing our times
And the rising sun
And I'll die while the planet's still spinning
And no one wins, no body's won

See, I don't belong here
[I don't belong]
I don't belong here
[I don't belong]

I will carry cause in song
Where I don't belong
I don't belong
I don't belong here
[I don't belong]
I don't belong here
[I don't belong]
I'm gunna set sight, set sail
For the kingdom come
Kingdom come, your kingdom come

[I don't belong]
Wont you let me down, yeah
[I don't belong]
My foolish pride wont ever let me down

Easy living
Your not much like the babe
Easy dying
Your just about the same
Would you please
Take me off your list
Easy living, please
C'mon and let me down

We are a beautiful letdown
Painfully uncool
The church of the drop-outs
The losers, the sinners, the failures, and the fools
We're a beautiful letdown
Are we salt in the wound?
And I would save the one to let me down, yeah

I don't belong here
[I don't belong]
I don't belong here
[I don't belong]
I don't belong here
[I don't belong]
Feels like I don't belong here
[I don't belong]
Yeah, I don't belong here
[I don't belong]
Feels like I don't belong here
[I don't belong]

I don't belong, oh
[I don't belong]
Would you let me down
[I don't belong]
C'mon, let me down
[I don't belong]
Let me down
[I don't belong]
So just let me down, yeah
[I don't belong]
C'mon and let me down
[I don't belong]
'Cause I don't belong here
Please, wont you let me down
