

# Tears of Ice

## Stratovarius

Tears of ice falling down my cheeks  
Forming a lake in it's surface  
I see you face and I watch it till it's gone  
There were times all I did was cry out your name  
Only thing I feel now is painTears of ice frozen heart icy drop fall to the ground  
Forming stream golden dream  
That will lead me to your door  
There were times all I did was cry out your name  
Only thing I feel now is painBaby you should see what you did to me  
Now I am crying tears of ice  
Baby you should feel like I felt in those days  
Now I am crying tears of ice
