

# White Shoes

## Conor Oberst and the Mystic Valley Band

I want 'em, I need 'em  
And I'm gonna go out and get 'em  
White shoes  
I know I'll feel better  
When I slide down into the leather  
White shoes  
White shoes  
Woah, white shoes  
White shoes  
Woah, white shoes  
I woke up from a dream  
When I saw 'em in a magazine  
White shoes  
I said, "Lou you gotta start new  
And the first thing you gotta do  
Is get some white shoes"  
White shoes  
Woah, white shoes  
White shoes  
Woah, white shoes  
You know he left me with the lonesome blues  
Been hangin' 'round too long with nothin' to do  
Yeah, he really made me pay those dues  
But I'm goin' out on the town tonight in white shoes  
Yeah, I wanted 'em, I needed 'em  
And I went out and got 'em  
White shoes  
That new boy when I see him  
I'm gonna walk right up and meet him in  
White shoes  
White shoes  
Woah, white shoes  
White shoes  
I'm goin' out on the town tonight  
White shoes  
Woah, white shoes  
White shoes  
Woah, white shoes
