Messin' With The Kid

Johnny Winter

What's this I hear, there's a whole lotta talk
The people say, you try to quit the kid
Hey yeah, tell me what you did
You can call it what you want
But I call it messin' with the kidOh, now the kid plays hot and hot don't pay
I say what I mean, I mean what I say
Hey hey, tell me what you did
You can call it what you want
But I call it messin' with the kidWell tell me you love me, you tell me a lie
But I know I love ya baby, till the day I die
Hey yeah, tell me what you did
You can call it what you want
But I call it messing with the kidElwood, Elwood, yeah? You wanna mess with the kid?
Nah Jake, I don't wanna mess with the kid
Yeah I know, I know that, how about you guys back here?
You wanna mess with the kid? Any of you guys?
How about you people out there you wanna mess with the kid?Gonna take the kid's car, drive around town
Tell everybody trying to put him down
Hey yeah, tell me what you did
You can call it what you want
I call it messin' with the kid
