

# No Greater Love

## Rainbirds

Now I take over the command  
With my health lantern  
And now I'm reaching out my hand  
For your love-fountainAlarm!  
I got ahold of you tonight  
I will be opening your sight  
Will be taking in the light  
Without surrenderNo greater love!  
No greater love!No greater love!  
No greater love!  
No greater love!You are a runner through the fields  
You've written music on your shield  
All fairytales hide in your chest  
A comic fighter at its best  
Your eyes are daisies  
Your hearts the tongue  
The key to open everyone  
And while you're racing cross my mind  
I care to dance the chorus lineNo greater love!  
No greater love!  
No greater love!
