

# What Are You Waiting For?

Miranda Cosgrove

Standin' here in our final hour  
I can't believe this is the end.  
Now I wish that I had the power  
To start this all over again.  
'Cause I know that I'm gonna  
Miss you when your gone  
And I'd hate to leave it this way  
So just make a move  
You've got nothing to lose, no. Here I am  
Take a chance  
What are you waiting for  
I'm telling you  
As a friend  
We could be so much more  
I never thought anyone ever could  
Make me feel this way  
So make my day  
What are you waiting for?  
What are you waiting for? Without you it's gonna be lonely  
So lets make the most of tonight  
Did I ever say you were the only  
One who could make it alright  
Now I don't know when I'm  
Gonna to see you again  
Can't you take my mind off the pain  
So just make a move  
You've got nothing to lose, no. Here I am  
Take a chance  
What are you waiting for  
I'm telling you  
As a friend  
We could be so much more  
I never thought anyone ever could  
Make me feel this way  
So make my day Don't make me feel stupid  
Don't say I was wrong  
Building this up in my mind for so long  
Now our times running out  
So you've got to be strong

If you want to make this right  
Break the ice  
Don't think twice  
Take me away  
What are you waiting for? I never thought anyone ever could  
Make me feel this way  
So make my day Here I am  
Take a chance  
What are you waiting for  
I'm telling you  
As a friend  
We could be so much more  
I never thought anyone ever could  
Make me feel this way  
So make my day  
What are you waiting for?  
What are you waiting for?
