

Come Pick Me Up (Outtake)

Ryan Adams

When they call your name
Will you walk right up?
With a smile on your face?
Will you cower in fear?
In your favorite sweater
With an old love letter I wish you would
I wish you would Come pick me up
Take me out
Fuck me up
Steal my records
Screw all my friends
They're all full of shit
With a smile on your face
And then do it again
I wish you would When you're walking downtown
Do you wish I was there
Do you wish it was me
With the windows clear
And the mannequins eyes
Do they all look like mine You know you could
I wish you would Come pick me up
Take me out
Fuck me up
Steal my records
Screw all my friends
Behind my back
With a smile on your face
And then do it again
I wish you would I wish you'd make my bed
So I could make up my mind
Try it for sleeping instead
Maybe you'll rest sometime
Oh, I wish I could
I wish I could
I wish I could
