

# I've Got My Eyes On You

**Buddy Guy**

Got my nose open baby  
You got my nose open baby  
Ahh huh  
You got my nose open woman  
But, I got my eyes on you You got me weepin' and moanin'  
Got me weepin' and moanin'  
Hey, you got me weepin' and moanin', oh yes  
You got me weepin' and moanin' woman  
But I got my eyes on you, look a here Got my nose open baby  
You got my nose open woman  
Uhh, ohh, yeah yeah  
Got my nose open baby  
But I, I got my eyes on you
