

# What If It's You

Reba McEntire

I've got something to tell you  
That I just can't say  
So I'm writing it down  
In case maybe someday  
Our lives take a turn down a road  
We can't see right now  
I know you're happy  
And I'm happy for you  
But since you found each other  
I've been so confused  
'Cause I believe there's one soul on this earth  
That was meant for mine  
I was sent here to find  
What if it's you  
What if our hearts were meant to be one  
What'll I do  
Knowing that I'll never love anyone  
As much as I do love you  
What if it's true  
What if it's you  
If destiny called and I missed my cue  
Do I get one more chance  
Oh how I wish I knew  
I'll never again put my heart in the hands of fate  
If it's too late  
What if it's you  
What if our hearts were meant to be one  
What'll I do  
Knowing that I'll never love anyone  
As much as I do love you  
What if it's true  
What if it's you  
If I ever hold you, I'll never let go  
But if I never do, how will I know  
What if it's you  
What if our hearts were meant to be one  
What'll I do  
Knowing that I'll never love anyone  
As much as I do love you  
What if it's true  
What if it's you
