

Last Man On The Moon

[SR-71](#)

I just can't seem to concentrate today
It seems my mind is wandering away
And all the things swimming through my head
Fade away as I go back to bed. And I close my eyes
And see how fast time flies
Cause sunrise comes too soon. I'm never out of bed before noon
Waking up too late seems too soon
And I could never be Neil Armstrong
I'd be the last man on the moon I used to live in a world of black and white
Until my dreams turned day into night And now I'm never out of bed before noon
Waking up too late seems too soon
I close my eyes
And wait for the surprise In a place I know I belong
In my head I can do no wrong
I could never be Neil Armstrong
I'd be the last man on the moon Who's ever heard of an astronaut with one arm?
