

# G Major (EP Version)

## Guster

Everyone here's in trouble  
The man with the megaphone  
Smoke and mirrors and crystal balls and red alerts and all because  
Of the king who hides behind the pawns  
I can see what's really going on  
I can see what's really going on Everyone here's a bubble  
Merrily floating on  
Manicured suburban lawns and patriotic country songs  
Pledge allegiance, sing along  
I can see what's really going on  
I can see what's really going on Everyone here's in trouble  
Angels abandon guard  
History is cyclical  
Crusaders and the biblical  
Light the torches bang the gongs  
I can see what's really going on  
I can see what's really going on Na na na na-na  
Na na na na-na  
Na na, na na  
Na na, na na
