Still

Lionel Richie

Lady, morning's just a moment away
I'm without you once again
You laughed at me
You said you never needed me
I wonder if you need me nowWe played the games that people play
We made our mistakes along the way
Somehow I know deep in my heart
You needed meRemembering the pain if I must say
It's deep in my mind and locked away
But then most of all, I do love you
StillWe played the games that people play
We made our mistakes along the way
Somehow I know deep in my heart
You needed me
