

Fool For Your Love

Dolly Parton

Ooh, but love was just so hard to find
'Til you came along into my life
And then I thought I would lose my mind
When you said that you wanted to be mine And ever since that day I've been hooked
Nothin' can turn me away
This livin' with you is like a dream come true
And it grows more and more everyday Ooh, I'm reachin' the highest of highs
Every time I look into your eyes
You ask how I feel, I can say it out loud
I feel like a million inside I never thought this could happen to me
You got me just where you wanted me, baby
And for your love I would do anything
Every night I'm a fool for your love I'm a fool for your love
I'm a fool for your love
I'm just a fool for your love
I'm a fool and I can't get enough Drivin' home from this sleepy old town
When my day's work is all through
The sun and the lights, well, I wish I could fly
To get back faster to you I waited all day by the telephone
Starin' at the clock on the wall
The hours are so long when you're free from my arms
And I just can't wait to hold you I'm a fool for your love
I'm a fool for your love
I'm just a fool for your love
I'm a fool and I can't get enough Ooh, you're givin' me chills up my spine
I'm feelin' so fine, goin' out of my mind
And I don't care if it never stops
I'll love you right up until I drop You know I'm a fool for your love
I'm a fool, fool for your love
I'm just a fool for your love
I'm a fool and I can't get enough 'Cause I'm a fool for your love
I'm a fool, I'm a fool, I'm a fool for your love
I'm a fool for your love
I'm a fool and I can't get enough For I'm a fool for your love
I'm a fool for your love
I'm a fool for your love
