

Timebomb

Kylie Minogue

Fast, time is ticking now so fast
The sand is running quick right, through our hands
Beat, feel the rhythm in my heart beat
Why don't you move your body, to my body
Before we disappear Tell me now, whoop
Do you wanna, wanna, whooop
I wanna, wanna dance like it was the last dance of my life
I wanna, whooop, wanna, wanna, wanna, whooop
Do you wanna, wanna dance like it was the last dance Wait, no, please don't make me wait
When walls are shaking, ground feels like it might break
It's not the end of the world
It's just the start of me and you, yeah
So let's just take the moment
Boy let's move Tell me now, whoop
Do you wanna, wanna, whooop
I wanna, wanna dance like it was the last dance of my life
I wanna whooop, wanna, wanna, wanna, whooop
Do you wanna, wanna dance like it was the last dance
We're on a timebomb, it might not last long
So let's just do it right now, do it come on
We're on a timebomb, before the night's gone
Let's just do it right now, do it come on Wait, please don't make me wait
Wait, please don't make me wait Tell me now, whoop
Do you wanna, wanna, whooop
I wanna, wanna dance like it was the last dance of my life
I wanna whooop, wanna, wanna, wanna, whooop
Do you wanna, wanna dance like it was the last dance
We're on a timebomb, it might not last long
So let's just do it right now, do it come on
We're on a timebomb, before the night's gone
Let's just do it right now, do it come on
