

Song For Life

[Alison Krauss](#)

I don't drink as much as I used to
Lately, it just ain't my style
And hard times don't last like they used to
They pass quicker, like when I was a child.
[Chorus:] Somehow I've learned how to listen
To a sound like the sun going down
And the magic the morning is bringing home
A song for a life I have found
It keeps my feet on the ground

[Solo] The midsummer days sit so heavy
But don't they blow like a breeze through your mind
When nothing appears in a hurry
To make up for someone's lost time
[Chorus]
