Everybody Talks

Lowkitorex

Jake:
Ah

Jake and Kitty:
Aaah
Aaaah

Jake:
Hey baby won't you look my way
I can be your new addiction

Kitty:
Hey baby what you gotta say?
All you're giving me is fiction

Jake:
I'm a sorry sucker and this happens all the time

Jake and Kitty:
I found out that everybody talks
Everybody talks, everybody talks

Jake:
It started with a whisper
And that was when I kissed her
And then she made my lips hurt

Kitty with Jake:
I could hear the chit chat
Take me to your love shack
Mamas always gotta back track
When everybody talks back

Jake:
Hey honey you could be my drug
You could be my new prescription

Kitty:
Too much could be an overdose

All this trash talk make me itchin'

Jake and Kitty:
Oh my my dear
Everybody talks, everybody talks
Everybody talks,

Jake:
too much
It started with a whisper
And that was when i kissed her
And then she made my lips hurt

Kitty with Jake:
I could hear the chit chat
Take me to your love shack
Mamas always gotta back track
When everybody talks back

Jake with Kitty:
Never thought i'd live
To see the day

Kitty with Jake:
When everybody's words got in the way, Oh!

Jake:
Yeah, yeah

Kitty:
Oh, woah

Kitty and Jake:
Oooh

Jake:
Hey sugar show me all your love
All you're giving me is friction

Kitty:
Hey sugar what you gotta say?

Jake:
It started with a whisper
And that was when I kissed her

And then she made my lips hurt

Kitty with Jake:
I could hear the chit chat
Take me to your love shack
Mamas always gotta back track
When everybody talks back

Jake and Kitty:
Everybody talks
Everybody talks
Everybody talks
Everybody talks
Everybody talks
Everybody talks...back

Jake:
It started with a whisper (Kitty: Everybody talks, everybody talks)
And that was when I kissed her (Kitty: Everybody talks, everybody talks)

Jake and Kitty:
Everybody talks
Everybody talks...back
Uh!
