## Fred Hammond

Boom, badoom, badoom,  
badudoom, badoom  
badoom, badoom, baduda, boom, badoom, badoom, baduda  
Boom, badoom, badoom, badoom!

V.1

I'de like to teach the world to sing  
As one big family, and know what joy this song would bring  
As we sing in harmony, ee-ee-ee  
I wanna tell everyone i know and those that come to me  
the greatest love that God can show is the power to set free-ee-ee  
For God so loved the world  
that he gave his only son  
That who soever, believeth on him should not perish  
But shall live forever ever...  
God so loved the world  
that he gave his only son  
That who soever, believeth on him should not perish  
But shall live forever ever.Boom, badoom, badoom,  
badudoom, badoom  
badoom, badoom, baduda, boom, badoom, badoom, baduda  
Boom, badoom, badoom, badoom!V.2

If there is a longing in your heart, theres an aching in your soul  
Your missing one important part, his peace will make you who-oo-oo-le  
It is the love that comes from God, for the poor, great and small  
The greatest love you'll ever know, its the greatest love of a-a-all!

God so loved the world that he gave his only son  
Who soever, believeth on him should not perish  
But shall live forever...

God so loved the world that he gave his only son  
Who soever, believeth on him should not perish, should not perishNo greater love on earth or heaven up above  
That God would give his son, that his son would die for us

So we could  
Live forever, live forever, live forever  
He gave his only son  
So we could  
Live forever, live forever, live forever  
He gave his only son  
So we could

Live forever, live forever, live foreverThats how much he loves us,

thats how much he loves us,  
thats how much he loves usThats how much he loves us,  
thats how much he loves us,  
thats how much he loves usThats how much he loves us,  
thats how much he loves usThats how much he loves us,  
thats how much he loves us,  
thats how much he loves usSo we could live forever, live forever, live forever  
He gave his only son, so we could live forever  
Live forever, live forever,  
He gave his only son,  
so he could live forever...
