

Make It Last Forever (with Jacci McGhee)

Keith Sweat

Make it last, make it last forever, don't let our love end
Lets make it last, lets make it last forever and ever
Don't let our love end Let me hear you tell me you love me
Let me hear you say you'll never leave me
Oh, girl, that would make me feel so right Let me hear you tell me you want me
Let me hear you say you'll never leave me, baby
Until the morning light Let me tell you how much I love you
Let me tell you that I really need you
Baby, baby, baby, I will make it all right
No one but you, baby can make me feel
The way you make me, make me, make me feel Don't let our love end, just make it last forever and ever
Your touch is wonderful, your love is so marvelous
Joy, that's what I feel when I'm with you Nothing, no one could compare to what we have
Love, it feels so good I'm so glad you're mine
Make it last forever know that I love it, make it last forever and ever Oh, give me kisses, love me, hold me
Squeeze me, chillin', come on
I love you, baby Make it last forever don't let our love end
You got to make it last, never, never, never let it end
Just make it last forever and ever I want our love to last a lifetime
Oh, tell me, tell me you'll always be mine
To make love forever and ever, we've got to make it last
Got to make it, got to make it got to make, got to make it, oh, baby Oh, honey, I love you
Oh, you're the best thing in my world
The only thing in the world, I love you so
