

# Almost Lover (Demo)

## A Fine Frenzy

Your fingertips across my skin  
The palm trees swaying in the wind  
Images You sang me Spanish lullabies  
The sweetest sadness in your eyes  
Clever trick Well, I never want to see you unhappy  
I thought you'd want the same for me Goodbye, my almost lover  
Goodbye, my hopeless dream  
I'm trying not to think about you  
Can't you just let me be?  
So long, my luckless romance  
My back is turned on you  
Should've known you'd bring me heartache  
Almost lovers always do We walked along a crowded street  
You took my hand and danced with me  
Images And when you left, you kissed my lips  
You told me you would never, never forget  
These images Well, I'd never want to see you unhappy  
I thought you'd want the same for me Goodbye, my almost lover  
Goodbye, my hopeless dream  
I'm trying not to think about you  
Can't you just let me be?  
So long, my luckless romance  
My back is turned on you  
Should've known you'd bring me heartache  
Almost lovers always do I cannot go to the ocean  
I cannot drive the streets at night  
I cannot wake up in the morning  
Without you on my mind  
So you're gone and I'm haunted  
And I bet you are just fine  
Did I make it that easy to walk right in and out  
Of my life? Goodbye, my almost lover  
Goodbye, my hopeless dream  
I'm trying not to think about you  
Can't you just let me be?  
So long, my luckless romance  
My back is turned on you  
Should've known you'd bring me heartache

Almost lovers always do
