Spiderman

The Hit Crew

Spider man, spider man
Does whatever a spider can
Spins a web any size
Catches thieves just like flies
Look out!
There comes the spider man
Is he strong?
Listen, bud
He's got radioactive blood
Can he swing from a thread?
Take a look overhead
Hey, there!
There goes the spider man

In the chill of the night
At the scene of a crime
Like a streak of light
He arrives just in time
Spider man, spider man
Friendly neighborhood spider man
Wealth and fame
He's ignorant
Action is his reward
Look out!
Here comes the spider man
To him, life's a big bang up
Whenever there's a hang up
You'll find the spider man.
