Serious Mistake

Plain White T's

I am not a church going man
But father please won't you hear my confession?
There's a situation at hand
Though I have sinned won't you teach me a lesson?I deserve nothing less than the worst you can do
Father please make me more like youI've made a serious mistake
I hope it's not too late to fix the heart I'm breaking
I've made a serious mistake
I hope it's not too late to fix the heart I'm breaking
I've made a mistakeI am not a church going man
But I'm in desperate need of forgiveness
I've lost track of who I really am
My own mother won't believe that I've did thisI deserve nothing less than the worst you can do
Father please make me more like youI've made a serious mistake
I hope it's not too late to fix the heart I'm breaking
I've made a serious mistake
I hope it's not too late to fix the heart I'm breaking
I've made a mistakeI keep on letting myself down
Even the rats say they don't want me around
But every heart will someday break
Everyone will make mistakes
Wanna live with no regrets
Walk the fine line between love and sexI deserve nothing less than the worst you can do
Father please make me more like youI've made a serious mistake
I hope it's not too late to fix the heart I'm breaking
I've made a mistake
To fix the heart I'm breakingI, I've made a serious mistake
And I hope it's not too late to fix the heart I'm breaking
I'm breaking, I'm breaking
I've made a mistakeI am not a church going man
But father please won't you hear my confessions?
