

Invisible Faith

The Canton Spirituals

I wasn't there when He walked on the water
I wasn't there when He made the blind man see
I wasn't there when He preached up on the mountain
I didn't see, I didn't hear, But I believe.

I wasn't there when He taught them how to pray
I wasn't there when He calmed the raging storm
I wasn't there when He fed the five thousand
I didn't see, I didn't hear, But I believe.
I wasn't there when He died out on Calvary
I wasn't there when He rose from the grave
I wasn't there when He ascended on up to Glory
I didn't see, I didn't hear, But I believe.

Oh I believe that He is coming back for me
And I believe that He is coming back for you
Out of all the things you may say about Him
I didn't see, I didn't hear, But I believe.
