

# Sort It Out

## Caesars

I wanna smoke crack  
'Cause you're never comin' back  
I wanna shoot speed balls  
Bang my head against the walls  
I wanna sniff glue 'cause I can't get over you  
How am I gonna sort it out?  
How am I gonna sort it out?  
I wanna smoke crack  
'Cause you're never comin' back  
I wanna shoot speed balls  
Bang my head against the walls

I wanna sniff glue 'cause I can't get over you  
How am I gonna sort it out?  
How am I gonna sort it out?  
How am I gonna sort it out?  
How am I gonna sort it out?  
How am I gonna sort it out?  
How am I gonna sort it out?  
How am I gonna sort it out?  
How am I gonna sort it out?
