

# Until the End of Time

## Screen Vinyl Image

I want you  
I need you  
There's nothing that can keep me away  
Just kiss me, over and over  
From this point, to the end of time

I waited for all of my days  
None of it mattered, 'till I met you  
I want you, over and over  
From this point, to the end of time  
...to the end of time  
the end of time (etc.)
