

Pining

Rebekah

My eyes are fixed to find a flaw in how you do
Something anything
Would be reason enough
To pull away from you No, no, no look what you made me do
No, no, no got me wanting you
No, no, no got me pining
I'm pining over you My ears are fixed to hear
The dissonance in how you rhyme
But you you tricky little trick
You trick me every time No, no, no look what you made me do
No, no, no got me wanting you
No, no, no got me pining
I'm pining over you My lips are fixed to taste
The bitterness in your sweet tongue
But busy bee you circle me til I'm dizzy
And I wake to find I'm stung No, no, no look what you made me do
No, no, no got me wanting you
No, no, no got me pining
I'm pining over you
Said I'm pining over you
