

God Gave Rock And Roll To You

Petra

Words and music by Russ Ballard

(Chorus)

God gave rock and roll to you, gave rock and roll to you

Put it in the soul of everyone.

God gave rock and roll to you, gave rock and roll to you

Put it in the soul of everyone.

You can learn to dance

Or you can be a square

You can let the music take you anywhere

But where will you be when the music's gone?

You can learn to sing

You can play guitar

You can learn to rock

You can be a star

But where will you be when the music's gone?

If you love the sound

Then don't forget the source

You can turn around,

You can change your course,

'Cause it's never too late to change your mind.

You can love the rock

And let Him free your soul

Or you can let the old man take his toll

It's never too late to change your mind.
