

He's Gonna Come Through (feat. Tye Tribbett)

Smokie Norful

Hold your head, dry those tears from your eyes, don't you worry
The God we serve is gonna come through
He is sovereign, has your life in His hands, yes He loves you
And for you there's a plan You have cried long enough, time to dance now
Time to lift His name up for the joy of the Lord is our strength
Don't matter how it started 'cause it's all good in the end
He's gonna to come through It really doesn't matter how bad you feel
He's gonna come through
The promises of God, I know that they are real
He's gonna come through Hold on my brother, my sister
Help is on the way
I don't care how dark the day
I know God's gonna make a way, hey Hold your head, dry those tears from your eyes, don't you worry
The God we serve is gonna come through
He is sovereign, has your life in His hands, yes He loves you
And for you there's a plan You have cried long enough, time to dance now
Time to lift His name up for the joy of the Lord is our strength
Don't matter how it started 'cause it's all good in the end
He's gonna to come through Just receive it, the Darlin' is comin'
He's gonna come through
Hey, your joy is comin' in the mornin'
He's gonna come through Hey, I believe that God is gonna do it
I don't care how dark the day
I know God's gonna make a way Hold your head, dry those tears from your eyes, don't you worry
The God we serve is gonna come through
He is sovereign, has your life in His hands, yes He loves you
And for you there's a plan You have cried long enough, time to dance now
Time to lift His name up for the joy of the Lord is our strength
Don't matter how it started 'cause it's all good in the end
He's gonna come through It really doesn't matter how He's going to defeat them
He's gonna come through
Our living testimony that my God's promises are real
He's gonna come through Hold on my brothers, my sister
Help is on the way
I don't care how dark the day
I know God's gonna make a way He's gonna come through
Yeah, I know that it seems hard right now
He's gonna come through
But if you hold on help is in the way He's gonna come through

Yes He will now, yes He will now, yes He will
I don't care how dark the day
I know God's gonna make a way God's gonna do it, God's gonna do it
God's gonna do it, God's gonna do it
God's gonna do it, God's gonna do it
He's gonna come through, He's gonna come through God's gonna do it, God's gonna do it
God's gonna do it, God's gonna do it
I don't care how dark the day
I know God's gonna make a way God's gonna do it, God's gonna do it
God's gonna do it, God's gonna do it
God's gonna do it, God's gonna do it
God's gonna do it
He's gonna come through God's gonna do it, God's gonna do it
God's gonna do it, God's gonna do it
I don't care how dark the day
I know God's gonna make a way God's gonna do it, God's gonna do it
God's gonna do it, God's gonna do it
God's gonna do it, God's gonna do it
God's gonna do it
He's gonna come through God's gonna do it, God's gonna do it
God's gonna do it, God's gonna do it
I don't care how dark the day
I know God's gonna make a way I don't care how dark the day
I know God's gonna make a way
I don't care how dark the day
I know God's gonna make a way
I know God's gonna make a way
He's gonna come through
