

# Death Cloud

## Cloud Control

Do as I say, as I say  
(Oohaaaa, oohaaaa)  
Drive, drive into the desert  
(Oohaaaa, oohaaaa)  
You don't know why  
You don't know why With his pretty wife  
And the garden gnomes  
In the park at home  
He saw a UFO Maybe it's a death cloud  
Maybe it's a death cloud  
Maybe it's a death cloud  
Maybe it's a death cloud Do as I say, as I say  
(Oohaaaa, oohaaaa)  
Hide, hide among the statues  
(Oohaaaa, oohaaaa)  
You don't know why,  
Why, why why With his pretty wife  
And the garden gnomes  
In the park at home  
He saw a UFO Maybe it's a death cloud  
Maybe it's a death cloud  
Maybe it's a death cloud  
Maybe it's a death cloud You don't know why  
(You don't know why)  
You don't know why  
(You don't know why)  
You don't know why  
(You don't know why)  
You don't know why  
(You don't know why) You don't know why  
You don't know why And I know why  
And I know why  
Oh it's a pattern, baby  
It's a pattern, baby And I know why  
And I know why  
Oh it's a pattern, baby  
It's a pattern, baby
