Run It! (remix)

Chris Brown

Run, run, run
Run, run, run
Clap your hands, run
Y'all know what this is
So So Def
Now lil mama just break it down
For the boy, Bow Wow and that boy Chris Brown
All I wanna do is see you take it to the ground, bring it up slow
Twurk that thang like them girls in the videos
And I'm leavin' here with somethin'
I come wit dat good game, baby girl, I ain't frontin'
I got that Bentley GT parked outside
So scream at it nigga when you're ready to ride
Come on
Let me talk to you, tell you how it is
I was thinkin' when I saw that body
Gotta get shawty
Tell her what the young boy gon' do
Damn them chicks wit chu gotta be okay
Babe, pretty thick wit the kick
That's sick, that need to be hit
So tell me what ya'll gon' do
I got friends and you got friends, word
They hop out and you hop in, word
I look fly and they jockin', word
The way you drop drop makes me wanna pop
I got friends and you got friends, word
They hop out and you hop in, word
I look fly and they jockin', word
The way you drop drop makes me wanna pop
Is ya man on the flo?
If he ain't let me know
Let me see if you can run it, run it
Girl, indeed I can run it, run it
Is ya man on the flo?
If he ain't let me know
Let me see if you can run it, run it
Girl, indeed I can run it, run it
You'll see, girl, I can set you off

Don't believe my age is gonna slow us down
I can definitely show you things
To have you sayin' I can't be 16
Once I get in you won't let go
And I, I'll have yo girls wishin' they were you
And I, I know you heard about me
But guess what's goin' down if we leave
I got friends and you got friends, word
They hop out and you hop in, word
I look fly and they jockin', word
The way you drop drop makes me wanna pop
I got friends and you got friends, word
They hop out and you hop in, word
I look fly and they jockin', word
The way you drop drop makes me wanna pop
Is ya man on the flo?
If he ain't let me know
Let me see if you can run it, run it
Girl, indeed I can run it, run it
Is ya man on the flo?
If he ain't let me know
Let me see if you can run it, run it
Girl, indeed I can run it, run it
Girl, you feel right, feel right
Make me feel like, feel like
I wanna do a little somethin'
Ain't no thing, let's do it to sho
Girl, the way that you're wearin' them
Jeans is turnin' me on
I'm the hottest thing that's in these streets
So baby, won't you rock me
Now if ya man ain't on the flo then I'ma step in
Replace him, tell yo friends after party at my spot
Shawty gotta come back 'cuz she so hot
Now we lookin' for them grown girls
That ain't scared to get to it
Know what to do when we drop that music
Lil mini skirts 'cuz she lookin' good
Got different color weaves mayne she so hood
I like 'em thick in the waist, ten in the face
The girls come to us so we don't chase
She move her booty like a low rider up, down
Man, she likes the way that I puts it down
And ain't nothin' to a G, I do this on the daily
You don't believe me you can ask JD

And it ain't no second guessin'
Matter fact, baby girl, I got one question now
Is ya man on the flo?
If he ain't let me know
Let me see If you can run it, run it
Girl, indeed I can run it, run it
Is ya man on the flo?
If he ain't let me know
Let me see If you can run it, run it
Girl, indeed I can run it, run it
Right about now
I need everybody to get to the dance floor
