

# It's All Right With Me

**Seth MacFarlane**

It's the wrong time  
And the wrong place  
Though your face is charming  
It's the wrong faceIt's not her face  
But such a charming face  
That it's alright  
With meIt's the wrong song  
In the wrong style  
Though your smile is lovely  
It's the wrong smileIt's not her smile  
But such a lovely smile  
That it's all right  
With meYou can't know how happy I am that we met  
I'm strangely attracted to you  
There's someone I'm trying so hard to forget  
Don't you want to forget someone tooIt's the wrong game  
With the wrong chips  
Though your lips are tempting  
They're the wrong lipsThey're not her lips  
But, oh, such tempting lips  
That if some night you're freeDear it's alright  
Yes it's all right  
With meThough your lips are temping  
They're the wrong lips  
They're not her lips  
But, oh, such tempting lips  
That if some night you're freeDear it's alright  
Yes it's alright  
With me
