

Retro Physical

Lady Gaga

(We're gonna grab the mics and geti»ı 'em off the walls so everybody in here can stop snorin')

(We're gonna grab the mics and geti»ı 'em off the walls so everybody in here can stop snorin')

(We're gonna grab the mics and geti»ı 'em off the walls so everybody in here can stop snorin')

Let's get into trouble

Lots of trouble

Rock star

You know how to rock hard

Hello midnight lover, lover

Hold that lady tighter

Shoot that bullet through her

My heart beats just like a cherry soda

In the summer

Go, go, go, don't be difficult about it

Get off it

Off the wall (get your ass)

Off the wall (throw that girl)

Against the wall

Retro physical

Off the walls (get your ass)

Off the walls (work that boy)

So sexual

Retro physical

Let's get down to business

Funny business

In the middle of the night he

Starts to get feisty

Don't forget your money, little honey

We're all killers and blonde bunnies

They dance for money

My heart beats just like a cherry soda

In the summer

Go, go, go, don't be difficult about it

Get off it

Off the wall (get your ass)

Off the wall (throw that girl)

Against the wall

Retro physical

Off the walls (get your ass)

Off the walls (work that boy)

So sexual
Retro physical
Everyone is famous

Running 'round real aimlessly
We dance, we're the garage team
In between the spaces
Happiness can trace us down
We're not gonna leave this town
In between the spaces
Happiness can trace us down
We're not gonna leave this town

(We're gonna grab the mics and geti»¿ 'em off the walls so everybody in here can stop snorin')
(We gonna grab the mics and geti»¿ 'em off the walls so everybody in here can stop snorin')

Off the wall (get your ass)
Off the wall (throw that girl)
Against the wall
Retro physical
Off the walls (get your ass)
Off the walls (work that boy)

So sexual
Retro physical
Off the wall (get your ass)
Off the wall (throw that girl)
Against the wall
Retro physical
Off the walls (get your ass)
Off the walls (work that boy)

So sexual
Retro physical
Off the wall (get your ass)
Off the wall (throw that girl)
Against the wall
Retro physical
Off the walls (get your ass)
Off the walls (work that boy)

So sexual
Retro physical
Off the wall (get your ass)
Off the wall (throw that girl)
Against the wall
Retro physical
Off the walls (get your ass)
Off the walls (work that boy)

So sexual

Retro physical
