Legends

Sondre Lerche

Please disregard
My naked faith
I just realised
It takes two to layCan we dish it, out in daylight?
Can we stare ourselves down?
Can we maneuver honesty, when it comes swinging back around?Oh, why, oh, why, oh, why, oh
Now we'll never know what legends we could be
Just me and you, and you and me
Why, oh, why, oh, why, oh
Now we'll never know what legends we were meant to be
Oh, oh, oh, ohPlease disregard
My endless hope
It just paved the way
For the end of our roadI sometimes called ya' bluffing secret
You sometimes wrestled with my nerves
Can you imagine anybody else so close to you, it hurtsOh, why, oh, why, oh, why, oh
Now we'll never know what legends we could be
Just me and you, and you and me
Why, oh, why, oh, why, oh
Now we'll never know what legends we were meant to be
Oh, oh, oh, ohOh! (x2)Please disregard
As I have done
Our civillized pose
Is not fooling noneOh, why, oh, why, oh, why, oh
Now we'll never know what legends we could
Just me and you, and you and me
Why, oh, why, oh, why, oh
Now we'll never know what legends we could be
Just dumbass you, and dumbass meWhy, oh, why, oh, why, oh
Now we'll never know what legends we could be
Oh, oh, oh, oh
Why, oh, why, oh, why, oh
Now we'll never know what legends we were meant to be
Oh, oh, oh, oh, oh, oh, oh
The legends we set out to be
Oh, oh, oh, oh, oh, oh, oh, oh
