In the Mood

Rush

Hey now, baby
Well, I like your smile
Won't you come and talk to me
For a little while?Well, you're makin' me crazy
The way you roll them eyes
Won't you come and sit with me?
I'll tell you all my liesHey baby, it's a quarter to eight
I feel I'm in the mood
Hey baby, the hour is late
I feel I've got to moveWell, hey now, baby
Don't you talk so fast
I'm just tryin' to make these good times
I'm tryin' to make it lastWell, every thing's getting hazy
Now honey, where'd you go?
I just want to find out, baby
Where'd you learn what you know?Hey baby, it's a quarter to eight
I feel I'm in the mood
Hey baby, the hour is late
I feel I've got to moveHey baby, it's a quarter to eight
I feel I'm in the mood
Hey baby, the hour is late
I feel I've got to moveWell, hey now, baby
I said, "I like your style"
And you really got me, baby
Way down deep insideOoh, you drive me crazy
Baby, you're the one
I just want to rock 'n' roll you woman
Until the night is goneHey baby, it's a quarter to eight
I feel I'm in the mood
Hey baby, the hour is late
I feel I've got to move
Yes, I do
