

# Leaving You With This

Emil Bulls

Advisory - the following lyrics contain explicit language:

Deep inside I don`t feel alright  
It burns like fire  
It`s twined around by barb wire  
It pricks it bites  
You`ll need a life to cut it out of my mine  
I`m too shy I`m too dumb unable to talk about the things that are hurting me  
It`s so sad I can`t turn my inside out  
It`s so sad so many things to share  
It`s so sad maybe I can`t show my love  
It`s so sad now I`m leaving you.... with this  
Deep inside I hide a secret
