I Don't Know

The Black Ghosts

Your pretty eyes they follow me
Across the room to infinity
I turn around but you're not there
Whats the name of the game that you play everyday with me, with me[Chorus]
What you gonna do, what you gonna do
What you gonna do, what you gonna doI don't know what she did
But she did it to my head
I don't know what she said
But she said it to me
I don't know what this is
But you better make it something
Do what you want to do then take it with you[Chorus: x2]Her tiny voice is in my head
She's conversations with the dead
Her footsteps trace my every move
Tell me why do I try to believe in a lie with youI don't know what she did
But she did it to my head
I don't know what she said
But she said it to me
I don't know what this is
But you better make it something
Do what you want to do then take it with you[Chorus: x2]
