

# I Don't Know

## The Black Ghosts

Your pretty eyes they follow me  
Across the room to infinity  
I turn around but you're not there  
Whats the name of the game that you play everyday with me, with me[Chorus]  
What you gonna do, what you gonna do  
What you gonna do, what you gonna do I don't know what she did  
But she did it to my head  
I don't know what she said  
But she said it to me  
I don't know what this is  
But you better make it something  
Do what you want to do then take it with you[Chorus: x2] Her tiny voice is in my head  
She's conversations with the dead  
Her footsteps trace my every move  
Tell me why do I try to believe in a lie with you I don't know what she did  
But she did it to my head  
I don't know what she said  
But she said it to me  
I don't know what this is  
But you better make it something  
Do what you want to do then take it with you[Chorus: x2]
