

Save me (Captive of Society Remix)

Suicide Commando

i want to know
if she's worth
for me to live
on this world
i want to know
i want to go
and say goodbye
i want to die
don't want to live
don't want to live
don't want to live
don't want to live
i want to go
i want to die
i want to go
i want to die
die
die
save me
