Time

Play Dead

A nation sits to wait
But our solutions come too late
The sun had set too fast
Forgotten lessons from the past
But no -one seemed to care
Disillusion everywhere
The last dance begins
As man commits the final sinDance dance dance
To the fool's delight
Dance dance dance
To the fool's delight
The march of time - the march of timeStripped of all my pleasure
Drained of all real life
Await the final hour
Lost with no real choiceDance dance dance
To the fool's delight
Dance dance dance
To the fool's delightThe march of time - the march of timeThe dance is nearly over
And still the fools won't rest
Time is fading slowly
Will this madness still persist
Dance dance dance
To the fool's delight
Dance dance dance
To the fool's delightThe march of time - the march of timeDance dance
