Domination

Biohazard

"The confrontation was not created by the police, the confrontation was created by the people who charged the police. The policeman isn't there to create disorder, the policeman is there to preserve disorder." Chorus: You can't get me DOMINATION DOMINATION You'll never get me Keep our attention away from issues that "really" effect our society Keepin us thinking of how to pay our bills while "they" roam through our lifes with flashlights While "they " make descions in disguise of our benefit. While "they" are busy creating problems and offering solutions! Keep us busy with our "simple" lifes Chorus Keep us in the dark about the system keeps us confused and distracted Turn you shoulder, I'll never give them total fucking control. Keep us preoccupied with bullshit while our defenses are lowered Tighten the reigns and gain control Confusion, confusion brings profit Chorus Broken backs and bloody knuckles Forgotten fathers and long lost uncles Who fought for freedom through piles of lies It was for our rights our ancestors died War brings profit and profit breeds greed And to those who rewrite the constitiution For those who died in vain, god speed Fuck off and die mutherfucker, it's our revolution It's our revolution "sex and race have been the primary ways of organizing human beings into superior and inferior groups" REVOLUTION just because YOU are not paranoid does not mean that THEY are not out to get YOU who are the puppets and who is pull's the strings, keep us ignorant as they choose the kings
