Don't Mess With the Radio

Nivea

One, don't mess with the radio
Two, don't tell me which way to go
Three, just leave it up to me 'cause
Four, you ridin' with a pro
Five, you gotta leave it all behind
Six, we 'bout to get up in the mix now
Seven, everyday is a blessing
Eight, don't make no mistake about oneI'm just riding out trying to figure out
What's up, this feeling can't be controlled
Trying not to look so fly
And it's 3:25 but I'm ready to roll
'Cause I've been waiting all week just to find
A party just to get out and jam
My destination's unclear
'Cause I know the party's wherever I amOne, don't mess with the radio
Two, don't tell me which way to go
Three, just leave it up to me 'cause
Four, you ridin' with a pro
Five, you gotta leave it all behind
Six, we 'bout to get up in the mix now
Seven, everyday is a blessing
Eight, don't make no mistake about oneNow that the hour is nine, time to check for this dime
Breakin' hearts at the door
No time for standing in line
The beat is playin' in my spine and I can't take it no more
Now, throw your hands up, let's cut this rug up
And party like it ain't no thang
We can do it all night 'til the daylight
No, it ain't no shame in my game, yeahOne, don't mess with the radio
Two, don't tell me which way to go
Three, just leave it up to me 'cause
Four, you ridin' with a pro
Five, you gotta leave it all behind
Six, we 'bout to get up in the mix now
Seven, everyday is a blessing
Eight, don't make no mistake about oneOne, don't mess with the radio
