

# Don't Mess With the Radio

Nivea

One, don't mess with the radio  
Two, don't tell me which way to go  
Three, just leave it up to me 'cause  
Four, you ridin' with a pro  
Five, you gotta leave it all behind  
Six, we 'bout to get up in the mix now  
Seven, everyday is a blessing  
Eight, don't make no mistake about one I'm just riding out trying to figure out  
What's up, this feeling can't be controlled  
Trying not to look so fly  
And it's 3:25 but I'm ready to roll  
'Cause I've been waiting all week just to find  
A party just to get out and jam  
My destination's unclear  
'Cause I know the party's wherever I am  
One, don't mess with the radio  
Two, don't tell me which way to go  
Three, just leave it up to me 'cause  
Four, you ridin' with a pro  
Five, you gotta leave it all behind  
Six, we 'bout to get up in the mix now  
Seven, everyday is a blessing  
Eight, don't make no mistake about one Now that the hour is nine, time to check for this dime  
Breakin' hearts at the door  
No time for standing in line  
The beat is playin' in my spine and I can't take it no more  
Now, throw your hands up, let's cut this rug up  
And party like it ain't no thang  
We can do it all night 'til the daylight  
No, it ain't no shame in my game, yeah  
One, don't mess with the radio  
Two, don't tell me which way to go  
Three, just leave it up to me 'cause  
Four, you ridin' with a pro  
Five, you gotta leave it all behind  
Six, we 'bout to get up in the mix now  
Seven, everyday is a blessing  
Eight, don't make no mistake about one  
One, don't mess with the radio  
Two, don't tell me which way to go  
Three, just leave it up to me 'cause  
Four, you ridin' with a pro

Five, you gotta leave it all behind  
Six, we 'bout to get up in the mix now  
Seven, everyday is a blessing  
Eight, we 'bout to get up in the mix now  
One, don't mess with the radio  
Two, don't tell me which way to go  
Three, just leave it up to me 'cause  
Four, you ridin' with a pro  
Five, you gotta leave it all behind  
Six, we 'bout to get up in the mix now  
Seven, everyday is a blessing  
Eight, don't make no mistake about one  
One, don't mess with the radio  
Two, don't tell me which way to go  
Three, just leave it up to me 'cause  
Four, you ridin' with a pro  
Five, you gotta leave it all behind  
Six, we 'bout to get up in the mix now  
Seven, everyday is a blessing  
Eight, we 'bout to get up in the mix now
